

To: 4th-6th Grade Students/Families
From: Mr. Coporale

Greetings from the music room,

This year we will be running our after school chorus on Thursdays. The chorus will be open to all students in 4-6th grade and will meet for one hour after school starting October 13th. Late bus transportation is available. A code of conduct must be signed and followed for participation in the chorus. Attendance will be taken, and it is important for students to be at all rehearsals. With our past successes at the Great East Festival, I am excited to be participating again. The date for this year is Friday, June 1st. The festival does require a financial obligation for students and chaperones. Last year the cost per student was \$75 (\$65 for chaperones), and the festival prices have not been set this year. I will have more information as the group and trip are approved and started. The bus holds 54 passengers, and chaperones will be welcome to join us on a first come first serve basis. We have always had room for everyone, and I hope you will join your son/daughter for the trip.

Please feel free to contact me at the school with any questions or email me at ecoporale@scotlandschool.org.

Thank you,

Mr. Coporale

PS---Please return both the signed registration and code of conduct forms together.

After School Chorus Code of Conduct

The after school chorus is an opportunity for students to excel in music performance beyond the regular school day. The group will be performing for the school and the community as well as competing as a representation of our school. There are certain expectations that I feel are essential for the group's success. The following is a list of agreements in which all students need to understand and comply with as part of this group.

I agree to come to rehearsals on time. I will be in the music room ready to perform by 3:05.

I agree to fulfill my financial obligations and adhere to the deadlines set.

I agree to be prepared by bringing my music to each rehearsal.

I agree that I am responsible for all my actions in the rehearsal, and I will not be a distraction for the group.

I agree and understand that if I am asked to leave a rehearsal, I will only have one more chance before I am asked to no longer participate in the chorus.

I agree to follow all directions given by Mr. Coporale and Mrs. Shafer.

I agree to achieve my personal best when I represent the school at the Great East Music Festival.

I agree to follow all school rules while at rehearsals.

I agree that I will attend every rehearsal, and I will provide a note from home if I am unable to attend. 3 unexcused absences may cause my dismissal from the group. I understand we have 20 rehearsals to prepare and each one is important.

I agree that I will have fun and enjoy the music we are performing!

This agreement should be signed by students and parents and returned to Mr. C before our first rehearsal.

Thank You,

Mr. Coporale
